Line 25 of the Detailed Summary Page. Please note that Coordinated Expenditures are made by National and State party committees on behalf of their candidates in connection with the General Election, including House, Senate, and Presidential nominees. Please amend your report to clarify the nature of these expenditures and report them as either an in-kind contribution to each federal candidate on Schedule B supporting Line 23 or as an Independent Expenditure on Schedule F supporting Line 24 of the Detailed Summary Page.

- Schedule F discloses Coordinated Expenditure Made by Party Committees. For your information and consideration when preparing future filings, national party committees and state party committees may make special expenditures in connection with the general election campaigns of federal candidates. These coordinated party expenditures do not count against the contribution limits but are subject to a different set of limits, as explained. Additionally, coordinated party expenditures must be made with federally permissible funds only.

Coordinated means made in cooperation, consultation or concert with, or at the request or suggestion of, a candidate, a candidate's authorized committee, or a political party committee. Any reference to a candidate, or a candidate's authorized committee, or a political party committee includes an agent thereof. (11CFR § 109.20 (a))

Any expenditure that is coordinated, but that is not made for a coordinated communication or a party coordinated communication, is either an in-kind contribution to, or a coordinated party expenditure with respect to, the candidate or political party committee with whom or with which it was coordinated and must be reported as an expenditure made by that candidate or political party committee, unless otherwise exempted. (11CFR § 109.20 (b))

The national committee of a political party may make coordinated party expenditures in connection with the general election campaign of any candidate for President of the United States affiliated with the party. (11CFR § 109.32 (a) (1))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated.
